

Survival days in Swedish Lapland “became Bear Grylls for a 2 days”

2 nights of “survival” In Swedish Lapland - Pure wilderness.

Experience a journey after a great River in Swedish Lapland. We are drifting down the river and fish for Grayling – The Lady of the Stream.
An amazing journey and a holiday of a lifetime.

wilderness journey

You will travel on maybe one of the most mythic river in Sweden. Here are the some spots which have no kill for Brown trout, and we know that they are exist Grayling which have a great weight at 3kg. You will experience smaller lakes and streams, rocks and taiga forest under your journey down the river. You will also find except for Grayling, Northern Pike, Perch, Brown trout and white fish. The trip is not a rafting trip in any way. This is a nice drifting trip in a fabulous river in Swedish Lapland

You will have a maximum package with on this trip, 40liter except fishing gear.

Survival days in Swedish Lapland “became Bear Grylls for a 2 days”

Program for 2 nights

Day 1

Guides from Arctic Charter meet you up at the airport for transfer to the river. We packing the rubber boats and start our journey

We do stops for fishing and our first night will be in a traditional Sámi tent, on an island. You will prepare a great dinner over open fire, for you and your friends, and you can fish all night long.

Day 2

After breakfast are continue our trip east down the river. We do stop for fishing and lunch and here are we stay for the night.

Day 3

After breakfast are we going down the river until we reach the old chalet. This will be our base. We fish at the streams around the chalet, dinner and sauna of course.

Dag 4

After breakfast are we crossing the river and do a shorter hike to get some secret streams and shallow water. We fishing whole days here and in the evening we went back for dinner at chalet.

Dag 5

After breakfast are we leaving the chalet and go down streams the river. We do stop for fishing and lunch. We reach our cars at the afternoon for transfer to the airport.

Join us and explore the Secret of Sweden's most famous river.
