

Traditional moose hunt

3 days in Swedish Lapland

3 days of Traditional Swedish moose hunting.

Arctic Charter offers you traditional moose hunting, in the northern part of Sweden – Swedish Lapland.

The accommodation will be at the camp only 15 minutes from the hunting ground. Out at the hunting ground are you also find a hunting lodge, here is a sauna and we wash ourselves with water we heated up instead for a shower that we have in the camp. But we having mostly of our hunters at the camp for stay for the night. The hunting area is starting directly at the lodge. We hunt Adults and calves.

We wish you a great hunting holiday.

Program

Day 1

We will meet you up at the airport for transfer to the accommodation approx. 1hours driving. Over a great dinner, are we explain the plans of the coming hunting days and our hunting regulations.

Day 2-4

After breakfast; are we starting the hunt
Two hunters are going with hunting guides and, and rest of the hunter are standing/sitting at a shooting tower or shooting place. Lunch out at the hunting ground and dinner at the accommodation. We change hunters who will go with the guide and dog twice a day.

Day 5

We check out ant hunting break is over, transfer to the airport.
